FLEXFORM™ LVT

Milliken™

FORTIFIED FOUNDATIONS 5.0mm

REIMAGINED AESTHETICS

Experience the timeless aesthetic of Fortified Foundations, our 5.0mm resilient collection. Featuring a selection of woods, stones, abstracts, and textiles in fresh designs and hues, Fortified Foundations allows you to effortlessly specify multiple flooring options for any space. Perfect for healthcare, education, and public spaces, this collection combines proven performance with intentional design.

FLEXFORM™ 5.0mm | VALUE-ENGINEERED HARD FLOORING

Art, backed by science.

Milliken’s resilient flooring collections create new options for commercial, hospitality, education and retail interiors. Easily coordinate between LVT and Milliken’s extensive carpet offerings – designed to work together.

PROGUARD™ REINFORCED POLYURETHANE COATING

Integrated surface technology provides best in class scratch and stain resistance, eliminates the need for additional finishes or harsh chemical treatments.

WEAR LAYER

Heavy commercial grade 22 mil transparent wear layer protects the print visuals and ensures product performs in heavy foot traffic.

PRINTED LAYER

State of the art printing technology providing authentic visuals and designs.

INTEGRAL SOUND ABSORPTION LAYER

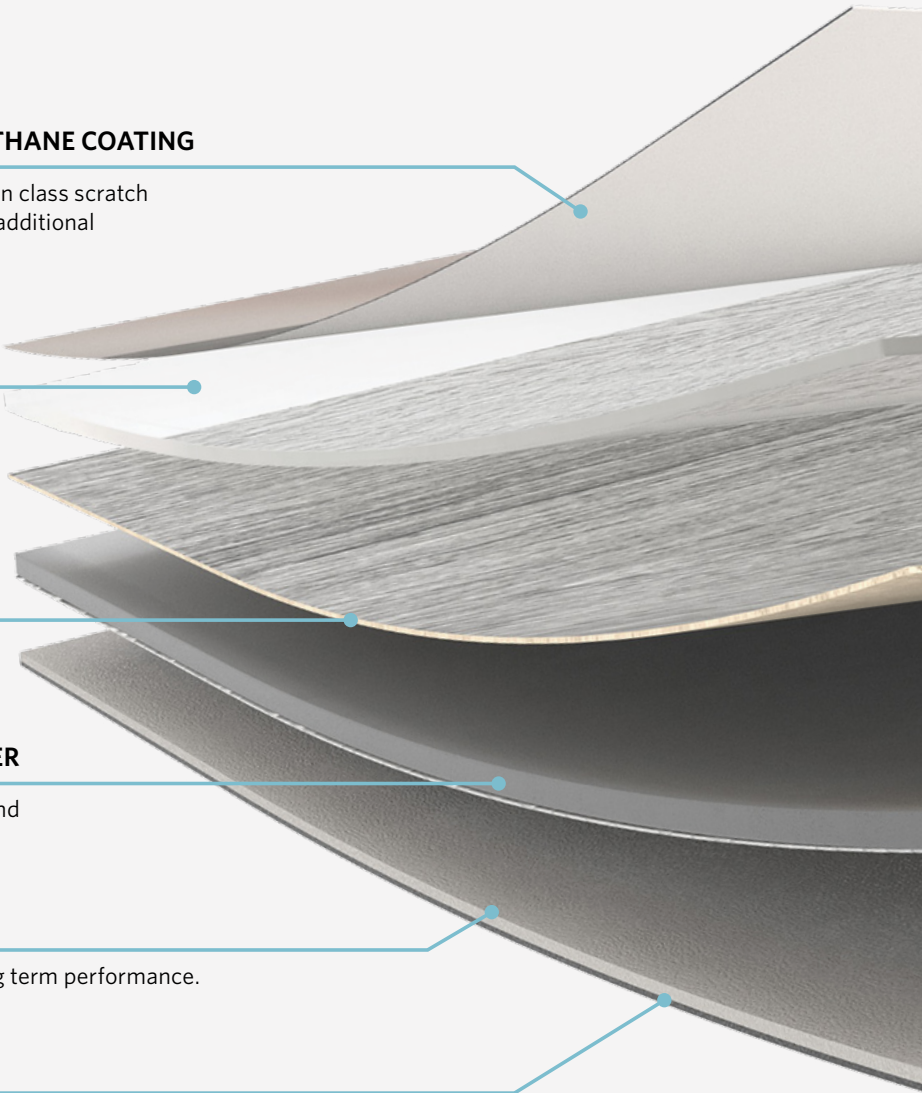

Provides improved acoustical performance and supports comfort underfoot.

HIGH PERFORMANCE CORE LAYER

Ensures excellent durability, stability and long term performance.

BACKING LAYER

Engineered balance layer provides stability and durability of the product.

CREATIVE FREEDOM

Discover the pattern that suits your aesthetic. Choose from abstract, stone, textile, or wood to create a visually striking space guided by trends, quality, and Milliken performance attributes. This collection offers flexible options with thoughtfully developed color families, ensuring seamless pairings between new and existing patterns.

commitment to sustainability.

M/PACT™ Carbon Neutral Product

Climate change is one of the greatest threats facing humanity. That's why our modular flooring products are carbon neutral everywhere in the world. Let's work together for a better tomorrow.

Sustainable features

Milliken LVT is durable resilient flooring engineered with the highest quality raw materials to provide unsurpassed performance and enduring aesthetics. Milliken LVT is 100% ortho-phthalate free. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process. Milliken LVT is manufactured at facilities that are ISO 9001 compliant.

SHADE VARIATION GUIDE

Just as texture and physical appearance will vary in samples of wood, beautiful variations of shade are found in this unique LVT product. The shade variation guide reflects our LVT styles ranging from low, to moderate, to high. Low shade variation features soft and subtle gradations. Moderate shade variation contains a more distinguishable variety of hue. And high shade variation models the highest level of contrast. The patterns in **FORTIFIED FOUNDATIONS** have **varying** shade variation as noted throughout the brochure.
