

# N/XT LIFE™

## CIRCULARITY PROGRAM

### HOW IT WORKS

---

#### 01. SPECIFY PROGRAM

Specify Milliken N/XT Life™ Circularity Program in your project tender documentation, along with packaging and pick-up needs.

#### 02. REQUEST A QUOTE

Contact your Milliken Account Manager and complete a Quote Request Form. You'll get guidance on packing, scheduling, and a freight and logistics fee.

#### 03. PACK & PICKUP

Package your carpet tiles as instructed below and contact Milliken Customer Service to arrange pickup.

#### 04. GET CERTIFIED

Receive a Milliken Circularity Certificate to recognise your project's contribution to sustainability.

### PACKAGING GUIDELINES FOR COLLECTION

---

#### OFF-CUTS

Pack all small pieces of Milliken carpet tiles in boxes.

##### Requirements:

- Clearly labelled
- No contaminants (e.g. blades, debris)
- Placed on pallets and shrink wrapped

#### FULL TILES

Ensure full tiles are stacked neatly on a pallet, shrink wrapped, and ready at the loading dock for pickup.

##### Requirements:

- Tiles must be dry
- Stack no higher than 1.2m
- Shrink wrapped for transportation
- Clearly labelled
