

COLOR RUSH

Milliken™

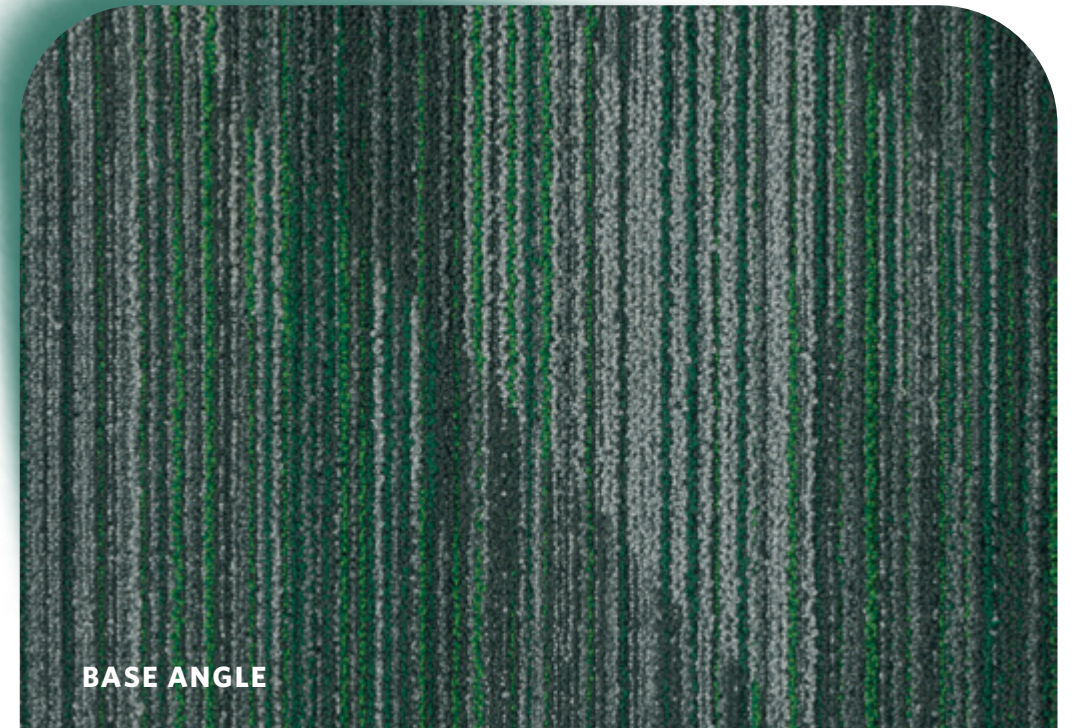

Design invigorating environments with the Color Rush collection. The objective is simple: to propel people, ideas and possibilities forward. This environmentally conscious collection is both sustainable in its composition as well as style. With 2 patterns and 20 colors, this selection of flooring will set the tone for a dynamic environment, no matter the application.

BASE ANGLE

FOCUS FIELD

MOTION & MOMENTUM

Two bold linear patterns encourage movement and add unique definition to floorscapes. Harness the energy of the space with the intriguing vertical striations of Focus Field. Provoke a swift directional effect with the eye-catching diagonal lines of Base Angle.

RANGE OF COLOR

Set the tone with a wide range of color choices. The interplay of neutrals and brights animates the flow of this collection. Three neutral colors are aesthetically offset with individual subsets of alluring brights, bringing forth a quiet vibrancy to each colorway.

SPARK CREATIVITY

The design possibilities are endless. Color Rush thrives in educational spaces and can energize the look in a range of workplaces and multifamily housing.

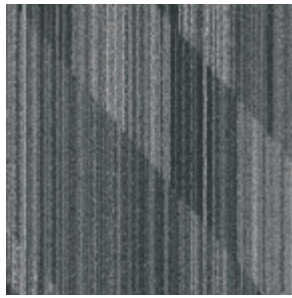

COLOR YOUR WAY

Whether your interiors lean subtle or bold, our versatile palette has you covered. Create quiet sophistication with understated neutrals, or add vibrancy and contrast by incorporating saturated jewel tones for a more dynamic visual experience.

WellBAC® cushion backing **enhances ergonomics and underfoot comfort**, reducing as much as 24% of muscle strain as compared to hardback.

The acoustic technology of our carpet **reduces noise by up to 50%** as compared to other flooring.

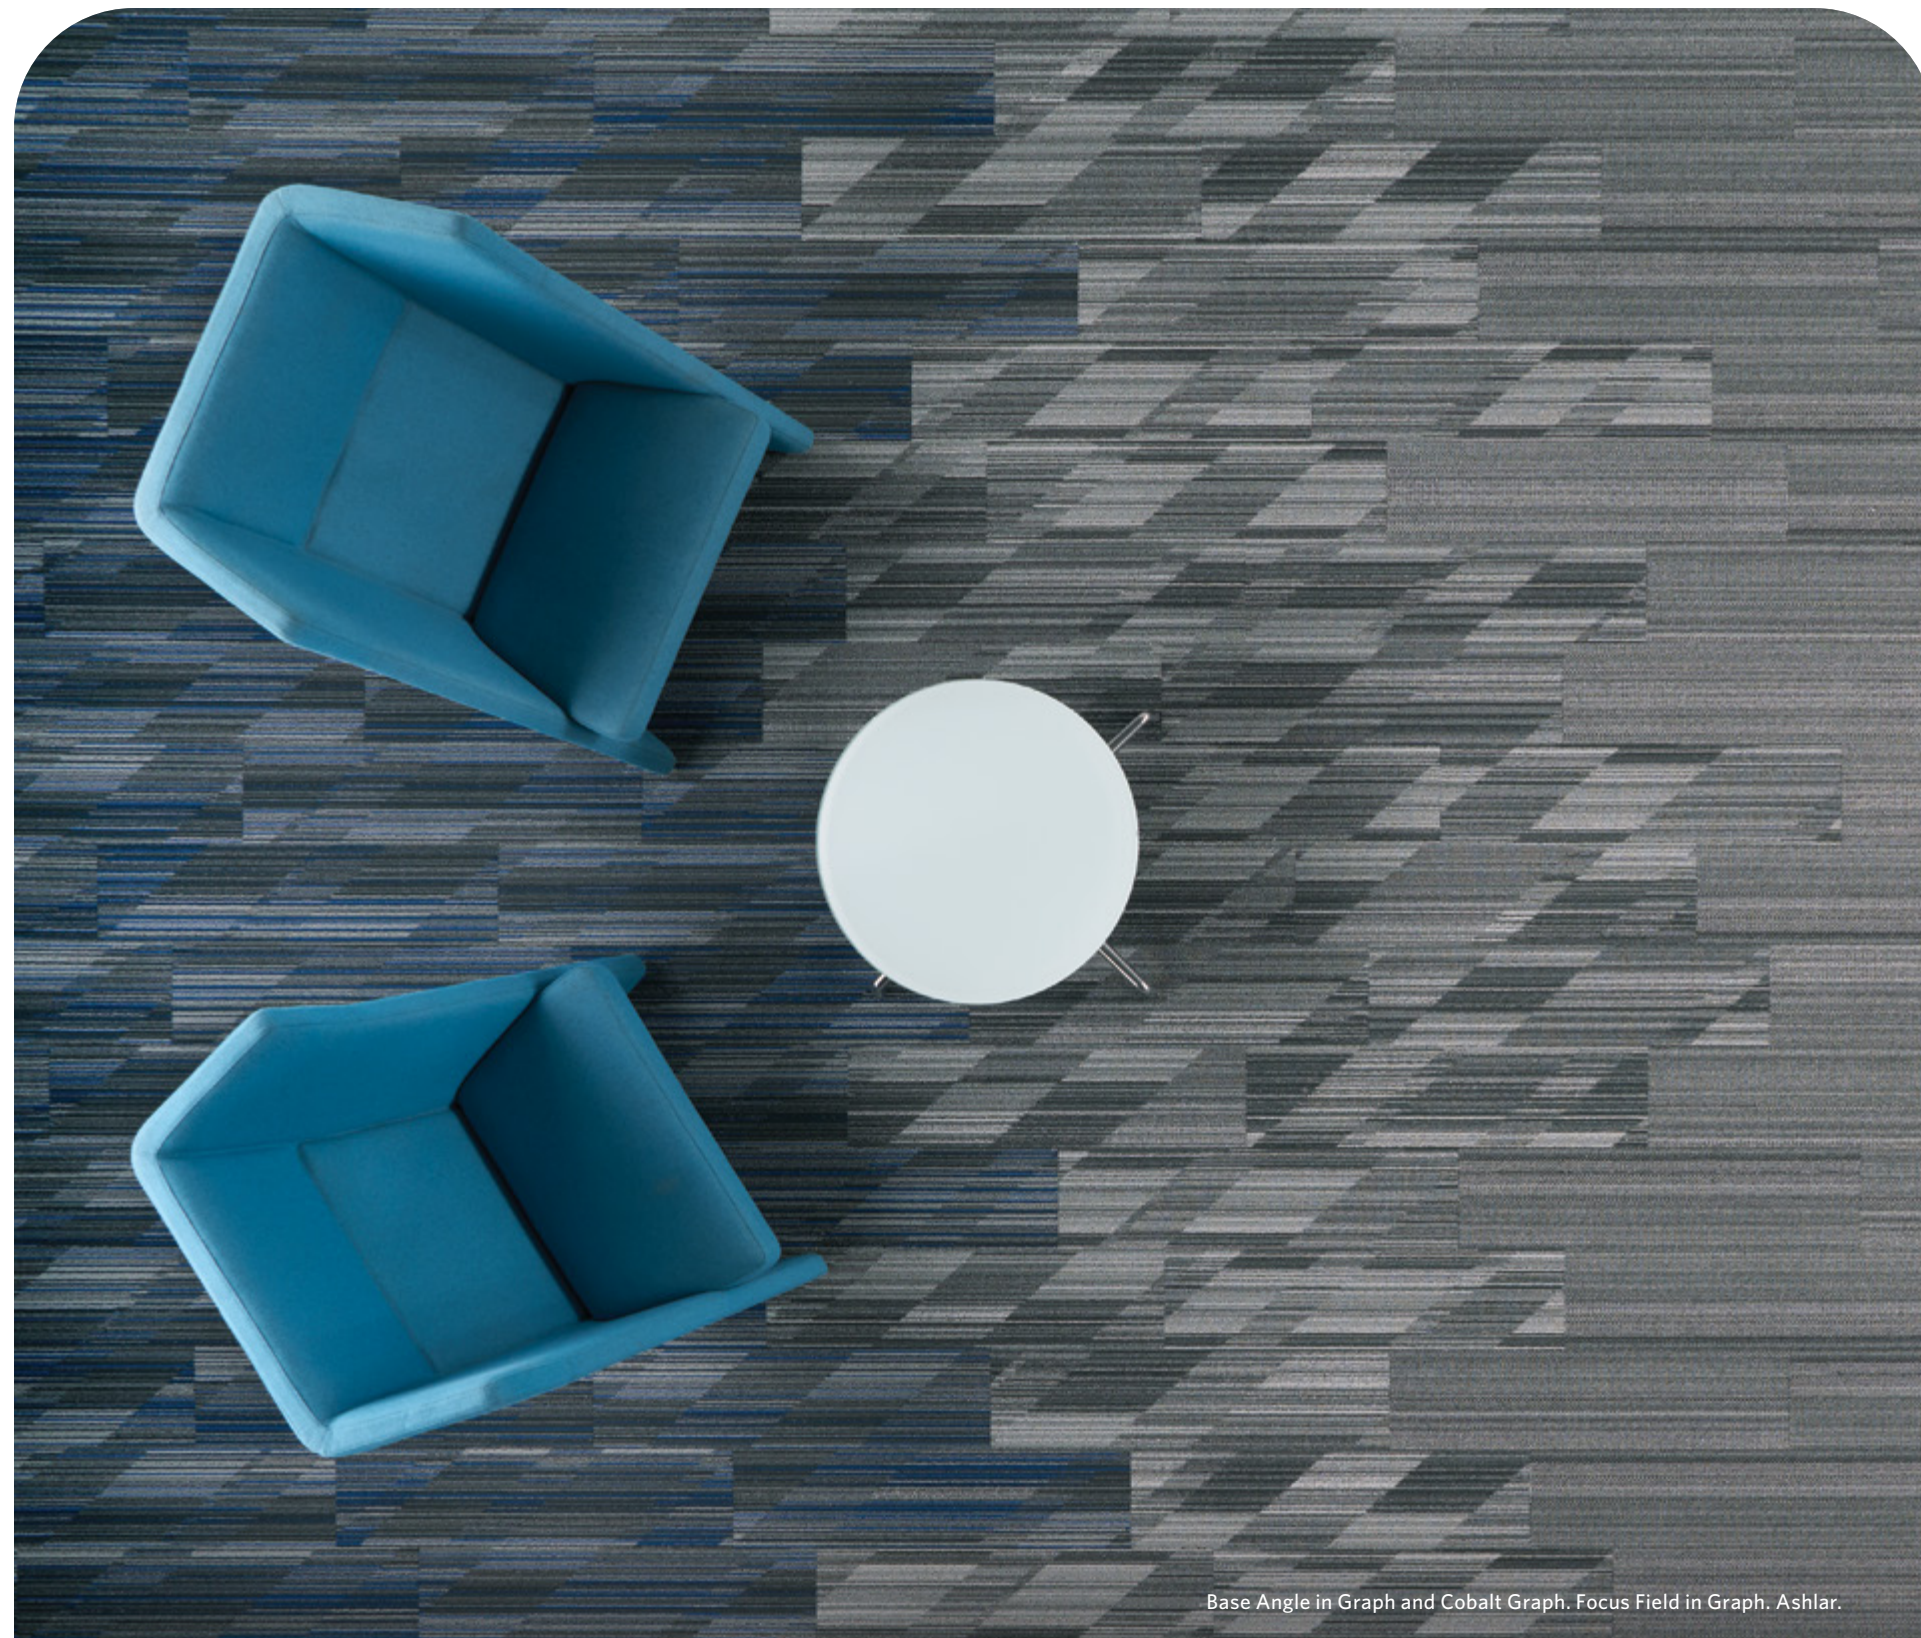

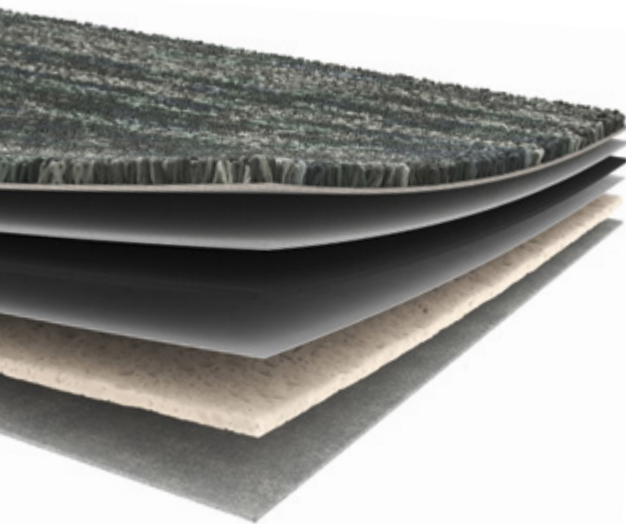

WellBAC® open-cell backing allows the floor to breathe. In fact, **we haven't had a moisture claim in 20+ years.**

Save time and money on installation. Our carpet tiles can be installed over old adhesive and it's rarely necessary to scarify or seal the floor.

Designed with wellness and circularity in mind, **this collection features carpet materials that are Red List Free and PVC-Free, including 100% ECONYL yarn.**
