The acoustic technology of our carpet **reduces noise by up to 50%** as compared to other flooring.

WellBAC® open-cell backing allows the floor to breathe. In fact, **we haven't had a moisture claim in 20+ years.**

**Save time and money on installation.** Our carpet tiles can be installed over old adhesive and it's rarely necessary to scarify or seal the floor.

Designed with wellness in mind, **all our carpet is Red List Free and PVC-Free.**

## CLIMATE IMPACT

Our climate is changing. Milliken takes a holistic approach reducing our products' embodied carbon without compromise to quality. We champion circularity through our N/XT Life™ reclamation program, and continue on our carbon reduction journey offsetting the full cradle-to-gate carbon footprint through our M/PACT™ program.
