Milliken®

## A modern expression of old-world elegance.

Discover time-worn luxury that engages the senses. This is the Revelation collection, textured carpet in three patterns with 12 colors and a mix of yarns and lusters. A look inspired by antiquity with rich textures, patinas and layered colors that reveal vibrant jewel tones. Occasional hints of a master weaver's artistry.

With this collection, you can elevate the style of any space while filling it with comfort.

*This collection brings the tactile comfort of a handcrafted rug into a workplace setting. We want to help architects and designers create personality in their spaces."*

## Reveal layers of beauty.

This is true premium carpet, thick and rich to provide comfort and warmth - ideal for inviting workers back to the office or impressing your most discerning guests. The beauty of Revelation even goes beneath the surface. Our acoustic technology reduces in-room and through-floor noise by up to 50%, and our WellBAC® cushion backing enhances comfort underfoot.

## Luxurious yet serene.

With the relaxed elegance of Revelation, you can easily create sophisticated yet comfortable spaces. Blend pattern, texture, luster and color to express your vision – from grand to understated. Each pattern is visually striking on its own, or bring them all together to tell a more robust design story.

# Twelve colors to refine the details of your space.

The color palette was inspired by a mix of natural dyes used by artisans throughout history. From neutral grays to jewel tones, our patented PrintWorks™ technology uses fluid dyes to achieve effects and colors that are just not possible through pre-colored yarn. With Revelation, we created a time-worn look with some colors appearing to have muted while others remain vibrant.
